Examine, categorise, organise

Apply
Use, chart, interpret

Understand
Explain, discuss, summarise

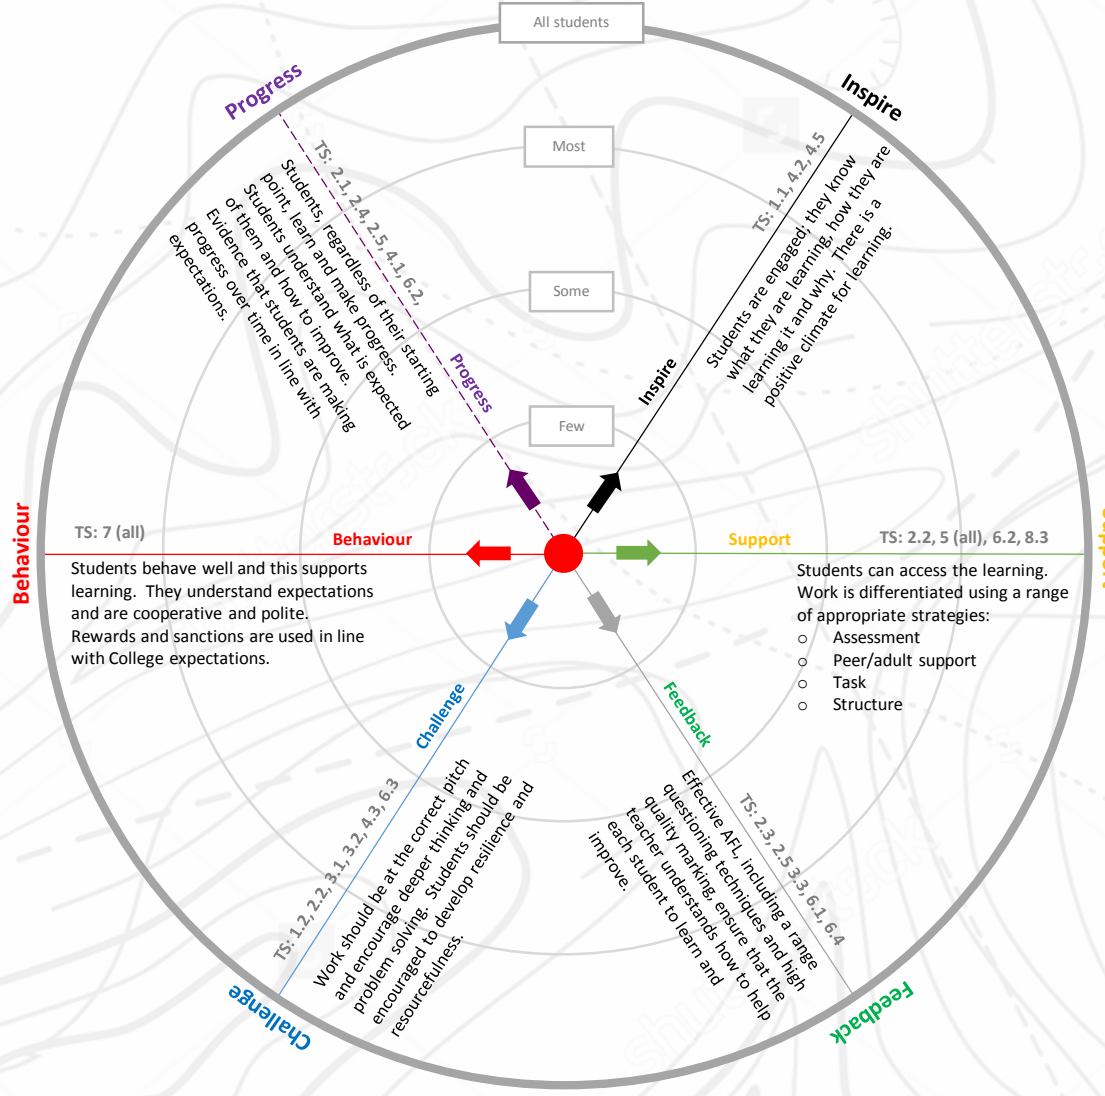

Remember
Recall, name, locate, describe

Seize opportunities for numeracy – if in doubt talk to a Mathlete!

Target your questions – use Bloom's.

Speak and Listen – model good literacy.

Visit our T&L website: hvcteachingandlearning.weebly.com

Our T&L expectations:
Always have clear learning objectives.
Know the students you are teaching – have a seating plan with student data.
Marking and feedback in line with department policy.
Develop resilience & resourcefulness.
Use rewards and sanctions in line with College expectations.
Support all students to learn and make progress.

Does your marking and feedback help students to...

Reflect

Improve

'You have only failed when you have given up. Until then, it's called learning'
