# SOCKS

Fun or serious, combine your choice of sock with any team kit to complete your outfit. Apply any colour combination or design to your sock, so that your team will stand out from the crowd whatever the result.

## KEY FEATURES

### FIT

	XS	S	M	L	XL	XXL
UK	9-11.5	12-3	4-6	7-11	12-13	14
EURO	27-30	31-36	37-40	40-46	44-47	48
US	8-10	1-4	4.5-7.5	7.5-11.5	12.5-13	13-14

#### 1. CALF OPTIONS: STANDARD OR HOCKEY WIDE.

Hockey wide offers increased stretch and width around calf for shin guards.

#### 2. CCC LOGO: Always positioned on back of sock (as shown).

#### 3. CLUB NAME: Tent position optional on sock dependent on design (9 digits max).

#### 4. FOOTBED OPTION 1: PADDED.

Fully padded footbed. Reduces jarring or blistering. Comfortable and breakable.

#### FOOTBED OPTION 2: POLYESTER.

Hard wearing lightweight option. Ideal for football.

#### FOOTBED OPTION 3: PADDED PANEL.

Padded key support areas on toe and heel. Centre panel adds air-flow (as shown).

# LOGO GUIDE

There are two standard Canterbury branding styles – the “three Cs” logo, and then the same logo with “canterbury” text below. Each size of logo has a code number to identify the specific branding; the versions with the canterbury text below have the word “Lower” after the code. To the right is an image of both styles as well as sizing details for the logo codes.

Below are recommended branding sizes for using the CCC logos, although other logo sizes can be ordered provided it will fit onto the specified panels on the garment – speak to your Canterbury Sales Representative for more details.

Please note these are suggested guidelines only and all logo sizes must conform with your specific sports board regulations.

903 Lower

903

LOGO CODE	WIDTH	HEIGHT	USE
903 Lower 903	40mm 41mm	28.5mm 20.5mm	Caps
904 Lower  904	51.5mm  53mm	37mm  26.5mm	Training items such as tees, polos, training shorts, vests Ladies playing kit
916 Lower  916	65mm  67mm	46.5mm  33.5mm	Slim fit mens jerseys, Junior jerseys, International fit jerseys Playing shorts, Jackets and fleeces
911 Lower 911	87.5mm 90mm	63mm 47mm	Standard fit mens jerseys
914 Lower 914	146mm 150mm	105mm 75mm	For use on back of garments as large CCC

NUMBERS AVAILABLE AT 18/20CM HIGH

## THERMO NUMBER OPTIONS

20cm numbers are recommended for the back of slim fit jerseys, 25cm are recommended for the back of standard fit jerseys, 5cm numbers are recommended for shorts, track pants or chest and sleeve positions. CCC is cut out so fabric behind shows through.

Names can be added across the back shoulders or as initials on the sleeve/chest. Thermo lettering is 5cm in height and available in black, navy, flag red or white. Screenprinted names are available in requested shades, however thermo is the recommended option.

Sublimated garments – numbers and names can be sublimated into any sublimated garment being made-to-order. This is at no additional cost to the garment and it is possible to request specific shades. For non-standard colours please advise a Pantone (PMS) shade number. For non-standard CCC numbers please provide images of digits 0-9, for non-standard names please provide font name and file. Non-standard only available for sublimated.

## EMBROIDERY

A full embroidery service is available for your crest or logo.

If the logo is already set up the electronic version (eg embroidery disc) will need to be submitted with the order, as well as a worksheet and details of colours required. Madeira thread shades must be provided, otherwise standard Canterbury colours will be used.

If the logo is not set up electronically then we will require a brand manual or high resolution logo specification sheet to set up a disc for you, ensure you explain clearly how your logo is to appear on both dark or light coloured items. The size required for the logo must also be provided. For new disc set ups an image of the disc will be forwarded to you, this will require approval before the disc will be used.

Embroideries will be sampled onto a swatch and a photograph sent electronically for approval before production is started.

## PRINTING

Screenprint or thermo print services are available for your crest or sponsor logo.

Please ensure a good quality image of the logo is submitted electronically, the preferred formats are vector or high resolution eps or jpeg. Faxed paper copies, letterheads or garments are not suitable formats.

For logos with text, please provide the font name where possible. Pantone (PMS) colours must be submitted, otherwise standard Canterbury colours will be used.

Sublimated garments – crests and logos can be sublimated into any sublimated garment being made-to-order. This is at no additional cost to the garment.

## BADGES

We are able to apply pre-made badges to many fabrics, please ask for more details.

Personalised neck tape and woven labels are available, please ask for more details.

Please note that certain fabrics will be better suited to some application methods than others. If you are unsure of the best embellishments to use please contact your Canterbury sales representative for more information.

Please ensure that you secure permission from the appropriate party before using any logos or images, Canterbury of New Zealand Ltd can not accept any responsibility for the unauthorised use of third party logos or images. Canterbury reserve the right to refuse to apply any name or logo considered offensive or unsuitable.
