# Turf Professionals Club

A unique opportunity to learn and share with others in the turf industry

September 15 - 20, 2018  
Bloomington, MN

**Help shape the future of the golf industry.**

**Turf Professionals Club**

The Toro Company and your Toro Distributor invite you to join the Turf Professionals Club; four days vitally important to you as well as Toro. Together we will be better able to meet the demands of today as well as the challenges of tomorrow.

**Informative and Educational**

We recognize you as an industry leader and hope you'll join other superintendents and key personnel from Toro for this informative and educational event.

The Turf Professionals Club offers you an opportunity to provide input to Toro on equipment and services needed to do your job more effectively and efficiently. You will tour Toro's Shakopee, MN facility where we engineer and manufacture commercial components. In addition, you will tour Toro's commercial manufacturing facility in Tomah, WI where we complete final assembly of Toro commercial products.

Past attendees give the Turf Professionals Club high marks for networking with other superintendents and recognize it as an opportunity to impact the development of new products.

**Highlights**

- **Meet Industry Peers:** You will have the opportunity to exchange ideas with peers from around the country.
- **Impact Product Development:** You will be challenged to provide input on products in various developmental stages as well as new product ideas.
- **Attend Product Feedback Sessions:** Continuous improvement of our current product offerings is an ongoing objective at Toro. We will be asking your opinion on current product performance and effectiveness.
- **Gain Knowledge of the Manufacturing Process:** Insight into our manufacturing process will allow you to more fully understand the level of quality and workmanship that goes into each product while providing you the opportunity to offer feedback on your needs.
