## St Barnabas Bulletin - Autumn 2018

### **Where there's a Will, there's a Way**

**Building awareness of the importance of legacies to charities**

This year's campaign is largely online and our consortium of 200 charities has come together to launch **HUMAN**—the world's first charity-powered search engine—to help answer some of life's biggest questions. So step aside, Mr. Google!

To find out more, go to [www.Humansearchengine.org](http://www.Humansearchengine.org)

The biggest question for us is always the one that asks how we can continue to offer care, shelter and sustenance to our most vulnerable Residents during a prolonged period of austerity, cutbacks and ongoing economic uncertainty.

A large part of the answer is that we can only do it with your help. And one way you could do that is by leaving a final gift to the College in your Will. In the past few weeks, a number of long-term supporters have between them left legacies to the College adding up to £102,000, giving a much-needed boost at a critical time to our ability to help those most in need.

In fact gifts in wills are becoming increasingly important to us, and we need more of you to know that you don't have to be rich and famous, rich and quirky, or just rich, to help us in this way.

So once you have made provision for your family and loved ones, please do consider helping the College in this special and uniquely personal way.

EXHIBITION

## October 16th—18th, Esher, Surrey

We are back at Sandown Park this Autumn and looking forward to meeting as many of you as can make it to the event.

These events are very important because they give you an opportunity to come along and meet some of the College team. We don't have many chances to talk face-to-face with you, so please do come along if you can. You will find us on Stand **S90**

We are delighted to once again be able to offer complimentary tickets to the event to our supporters. These are only available online, by using the following link:

[https://eventdata.uk/Visitor/CREcomp.aspx?  
TrackingCode=COLLBARN](https://eventdata.uk/Visitor/CREcomp.aspx?TrackingCode=COLLBARN)

For those of you for whom a trip to Surrey is too much of a trek, we will also be exhibiting in Manchester, at Events City, on the 13th & 14th March next year, as a part of CRE North.

We are planning, too, to go back to the Big Church Day Out events towards the end of May 2019, near Worthing and near Macclesfield. More details of that in a future edition of the St. Barnabas Bulletin.

# What is “Remember A Charity”?

The College is proud to be a member of Remember A Charity, a consortium of more than 200 of the UK’s favourite charities.

Working together, we are encouraging more people to remember a charity in their Will, but never before they have looked after family and friends.

Most people—even lifelong charity supporters - simply aren’t aware that this form of giving even exists. We want to raise awareness of gifts in Wills and help ensure the work of our favourite charities—and in our case, the College—lives on.

The vital work that all charities do often relies on gifts in Wills and every gift, however large or small, has a big impact on charities in the UK, many of which would not survive without them.

We are the charity sector’s leading campaign on increasing charitable will-giving, working with charities and partners in the legal sector, government and private sector to make charitable legacies the norm, rather than the exception.

Together we are working towards a future where more people remember a charity in their Will.

Working together we are encouraging people to pass on something wonderful.

**REMEMBER A CHARITY  
IN YOUR WILL WEEK**

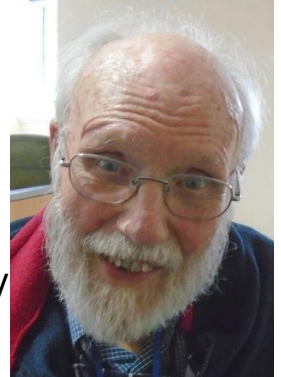

**10-16 September 2018**

Former RAF fighter pilot Fr. George Wood's book that we promoted in the previous edition of the Bulletin has literally been flying off the shelves, and quite rightly so!

In fact George is so delighted with the response and the positive feedback he has received that he is now considering writing a sequel, so watch this space!

George is a proud member of the RAF family and an enthusiastic supporter of RAFA - the Royal Air Force Association.

*Fr George*

We are delighted to have been given the opportunity to publish George's work in this, the RAF Centenary year.

If you haven't yet had your copy of "Laughter & Tears through 95 years", please complete the accompanying order form and send it back to us with the appropriate payment.

Don't miss your opportunity to own this inspiring and uplifting true story!
