Employment History

<i>April 2015 - Present</i>	Steadicam Operators Association Philadelphia	Qualified Steadicam Operator
<i>April 2005 – Present</i>	Freelance	Lighting Cameraman
<i>May 2001 – April 2005</i>	Transmission TX Ltd Shepperton Studios Middlesex	Camera Operator / Assistant

I am an experienced Steadicam Owner/ Operator. I have worked on commercials, drama, features, short films and music videos.

I live in Glasgow but work regularly in both London and also Manchester. Through my time as a staff member of Transmission TX, I gained an unrivalled amount of knowledge and experience in all fields of television.

One of my specialities is being able to pull the best of any location or studio. Shooting through foreground and allowing the moment of the camera to help achieve the maximum amount of depth out of every shot. Trying to always enhance and script ideas with eye catching images.
