SERVICSCREEN™

SCREENING SERVICE PROFESSIONALS

The **SERVICSCREEN™** is used by many organizations to identify and screen for candidates who will perform and survive in service environments. By assessing the inherent talent, effort history and fit to the position, the **SERVICSCREEN™** is able to assist a hiring organization to rank candidates and focus the hiring resources on candidates with the highest probability for success.

By focusing on candidates with a 'success' profile and screening candidates who lack the essentials, the **SERVICSCREEN™** is the first step in a recruiting process that improves the odds of hiring top performers.

- Allows HR recruiters and hiring managers to identify candidates with highest probability for success
- Eliminates exhausting resume parsing
- Includes customized interview questions
- The comprehensive report includes an assessment of the candidate's: people orientation, motivation to service customer needs, ability to manage rejection, attitudes towards service, job stability and service experience

The **Self Management Group** is a world leader in screening, selecting, developing, and retaining top performers. For over 35 years, the **Self Management Group** has partnered with leading companies to develop high performance, self managed organizational cultures.
