Welcome to **Mercer Island Physical Therapy**, conveniently located in downtown Mercer Island in the Chase Bank building, with convenient and free parking.

At Mercer Island Physical Therapy, our mission is to help you **get better, faster**. We employ and develop highly skilled and thoroughly trained physical therapists. We provide one on one care to ensure we are addressing your needs. Our professional staff excels in determining the precise cause of your condition, selecting and implementing the most effective and efficient treatments, and educating you how to assist in your own care.

We specialize in treating back and neck pain, as well as working with individuals having balance and gait deficits. We also treat a wide variety of orthopedic conditions including sports injuries, joint replacements, work injuries, motor vehicle accidents, and chronic pain.
