The team of underwriters has over 75 years' combined experience and is completed by Rick Haak (formerly of Atrium), David Dewhurst (formerly of AEGIS), Vincent Kelly (formerly of CNA Hardy) and Alice Gilbert.

The team is able to quote and lead business and deploy maximum capacity any one programme of USD 15,000,000 or equivalent in other currencies.

Property

We write a book of property per risk and catastrophe reinsurance as well as providing support on a quota share basis.

We operate on a worldwide basis but with a specific focus on business emanating from the US, Canada, Europe, Japan and Australasia complemented by a portfolio of business from what can be considered more emerging insurance environments.

Business is priced using a combination of vendor model and Syndicate-devised bespoke pricing techniques with strong emphasis placed on trading relationships.

Short Tail Specialty

We are able to entertain a broad range of specialty business, both on a delegated and reinsurance basis, including:

- Agriculture
- Terrorism
- Nuclear
- Satellite
- Aviation
