

## Din Rail mounting RJ45 coupler

This module provides a quick and compact method of connecting two RJ45 (8P8C) type cables.

FEL2RJ45T

### Features

- Two RJ45 (8P8C) type shielded sockets
- Connected pin to pin (1 to 1, 2 to 2 etc)
- 35mm DIN rail mounting
- Option for 32mm (G) rail mounting
- Available with optional wall mounting plates
- Reverse tab sockets for ease of cable release
- CE marked
- RoHS compliant
- All materials UL94V-0
- No SVHC (June 2013)

### Specification

- Rating 50V DC 500mA
- Dimensions: Height 42mm (1.66")  
Length 23mm (0.91")  
Width 83mm (3.27")

Part	Description
FEL2RJ45T	RJ45 to RJ45 coupler. 35 mm din rail mounting

Add suffix W for wall mounting plates. Add suffix 32 for Universal (15, 32 and 35mm) din rail mount
