

Scottrade attains optimal data security with Estuate

Scottrade is an online investing services company headquartered in the US. The company offers a wide array of financial services including commercial lending, commercial equipment financing, electronic fund trading and cash management services. In 2015 Monitor 100, Scottrade was ranked 83rd in sales volume and 65th in new business volume.

1. Business Challenge

With a growth in the enterprise data and operations, Scottrade realized a need to strengthen their data privacy measures. They needed to:

-  A bulletproof data security framework across production and testing environments
-  A solid compliance policy to ensure stringent privacy-related regulations are met
-  A complete solution that could mask sensitive data for testing and provide access further
-  A standard process to keep a check on data privacy in the long run

2. Estate Solution

Estate understood Scottrade's key pain points and developed a comprehensive data privacy solution.

- **Identified sensitive fields** and prepared comprehensive masking strategy
- **Developed a complete masking framework** for multiple data sources and applications
- **Ensured continuous access** to masked data across testing and production
- **Implemented a standard masking processes** to prevent unauthorized access in the long run

3. Business Impact

With Estuate's customized solutions, Scottrade secured sensitive business data and achieved functional excellence. The benefits included:

Complete data integrity

by preventing unauthorized changes to data, data structures, configuration files and logs

Reduced cost of compliance

by automating and centralizing controls and simplifying audit review process

Enterprise-wide protection

of sensitive information by masking data in databases, applications, reports on demand across the enterprise

Testimonial

“

We were looking for a partner to implement a strong data privacy that could cater our present as well as future business needs. Estuate's data privacy teams understood our concerns thoroughly and came up with best -fitting privacy solutions.

- IT Manager, Scottrade
