OakMed

Giving you more choice.

OAKMED LABELS EXPLAINED

Please use this chart to help you identify individual products within the Oakmed range.

- All Oakmed products are colour coded and have a colour coded logo.
- You will see these colours and logos throughout our labelling, product guides, marketing and web site.
- Some of the labels may have two colours if they come into two categories, eg soft convex/alginate.
- All stock sent into hospitals are half stock boxes and state that on the label.

Your Oakmed representative is happy to check Oakmed stock for you when they visit.

soft convex | ALGINATE | HYDROCOLLOID | U | PRIMO | micro skin | biform | connect 2
