

MSK COURSES

Saturday March 16, 2019

Cleveland Clinic
181 Bay Street
Brookfield Place, 30th Floor
Toronto, Ontario
M5J 2T3

This one-day course prepares the learner for practical sport medicine examinations. In the morning, learners will review how to take a high yield history and physician examination for a timed examination station. There will be a review of emergency skills for field of play injuries with a practical workshop.

In the afternoon, learners will participate in a "mock" examination complete with standardized patients, examiners and timed stations. At the end of the day, the faculty will debrief on the station and provide individual feedback for exam preparation.

8:00 AM	Registration
