

PHOENIX STS

your safety first

Mission Statement

Mission

Our mission is to design and deliver skills and knowledge-based training programmes that support learner's professional development, enhancing their opportunities to progress their careers and add value to the organisations where they are employed.

Core Values of the Organisation

Our core values reflect the sector we work within, where we appreciate the trust our client's place on us to help them achieve a workplace that reflects honesty, teamwork, openness and a belief that we all can make a difference when it comes to providing a safe, healthy working environment which benefits everyone.

Training Aims

- Provide an excellent training programme in a flexible and professional manner in a safe and secure environment
- Enhance the skills and capabilities of individual learners and our client companies
- Make our programmes widely available throughout the country
- Achieve steady growth in revenue and profit
- Provide staff members with opportunities for continued professional development and achievement
- Provide the very best learner-centred service possible, ensuring at all times, excellence, professionalism, flexibility and value for money
