Message from Director

In August 2015

Dear friends and partners!

KIRAN is in its 25th year! It is definitely with a heart full of thanksgiving and joy that we look back to what has been built up in these past years, "out of nothing" as people say... But no! it was not out of nothing, but rather out of a wonderful store of generosity, hard work and creativity from the lives of so many people! It was all together: partners, friends, staff and students, who have built the KIRAN Village at Madhopur, Varanasi, and its wide outreaching services.

With this Annual report we can get a glimpse of the many different activities which are happening in an inclusive pattern. In our world of today where so many dividing walls are built between different nations, religions and languages, we are happy to set a little sign that inclusion is possible and enriching. Here we wish to say a big THANKS to all out partners who have in the past so generously supported us. It is thanks to you all that KIRAN is alive and giving life to so many children, empowering them to face their future with confidence. We count on you also in the future!

REHABILITATION DEPARTMENT

This department offers vital and valuable services to the needy ones that are given as below :

Physio/Occupational Therapy Unit:

This year we focused our attention on a better integration of activities between our Unit and Special Education Unit. For each child, therapist and special educator shared their evaluation and devised a harmonic plan of activities so as to strengthen their benefit. The rehabilitation and education plan was then shared also with parents so that some activities could be followed at home. We have followed 104 children and with 8549 therapy sessions throughout this year. In the new academic session 22 new children were assessed and followed up by the unit. We conducted 16 sessions of hydrotherapy for 68 children and 8 sessions of music therapy for 48 children. Case discussions of 27 children were held under the supervision of Dr. Moreno, who performed neurological evaluation and follow-up of 73 children. Those in need receive medicines from our KIRAN's Dispensary. We conducted individual counseling of the parents of 9 children, class-room visits for 16 children, and hostel visits. This year 2 interns of the School of Physiotherapy, University of Zurich (Switzerland)- Andrea & Christina completed their 6 months internship in our unit.

Out-reach Services Unit:

We conducted 6 general and 5 need based camps throughout this year, in which we followed 459 cases and registered 311 new cases. We organized 2 orthopedic surgery camps in cooperation with Dr. Anil Kumar Pandey from Ranchi and Dr. Amit Jaiswal, in which 10 children were operated. Overall, 26 of our children were operated in collaboration with R. K. Mission Hospital of Varanasi. Through indoor services, we registered 79 new children and reviewed 379 children and young youth in our hostel, for intensive physiotherapy programs, post-operative care or release of new orthoses. An experienced physiotherapist from Santorso Government

Hospital (Italy)- Martina Camapagnolo, gave her services as a volunteer in this unit for 6 months

Orthotic & prosthetic Unit:

We have produced 676 appliances from this unit in which 556 orthoses and 22 prostheses were fabricated and repaired 560 aids and appliances

through this unit. 84 mobility aids (wheelchairs, crutches and rollators) were delivered this year. Mr. Hanspeter Stastny from Switzerland came twice this year and shared his expertise skills to facilitate the unit activities. Another expert prosthetist Mr. Hanser came at the end of February for one week and shared his knowledge with us. Two orthotists from Switzerland- Mr. Samuel & Mr. Edo gave their valuable contributions for 6 months in this unit.

Parent's and Child Care Unit- P.C.C.U.:

In P.C.C.U., the entrance door to KIRAN, 386 new cases were registered this year and other 420 children had follow-ups. All of them received, according to their needs, medical evaluation, physio-occupational therapy, speech therapy, psychological and educational interventions. This unit also conducted 3 group therapies and 5 mother's training programs throughout the year.

Family Mediated Integrated Program:

A family mediated intensive program (F.M.I.P.) was successfully accomplished in the year 2014-2015. F.M.I.P. is a program devised for the first time this year in collaboration with COMDEALL, a leading institute of Bangalore for the treatment of communication impairments in children below aged 5 years. We included 15 families with their children affected by Cerebral Palsy, Mental Retardation or Autism. Children were selected from different units: 9 children from P.C.C.U., 4 from C.B.R. and 2 from O.R.S. The program lasted 11 months, with two therapy sessions each month. We have done therapy demonstrations for the parents, individual child and family counseling and home training programs. There has been a good/very good improvement in each child and in each development domain. At the end of program of all the parents, who expressed their appreciation and satisfaction for the program. A second batch of other 15 children will be started on July for the session 2015-16.

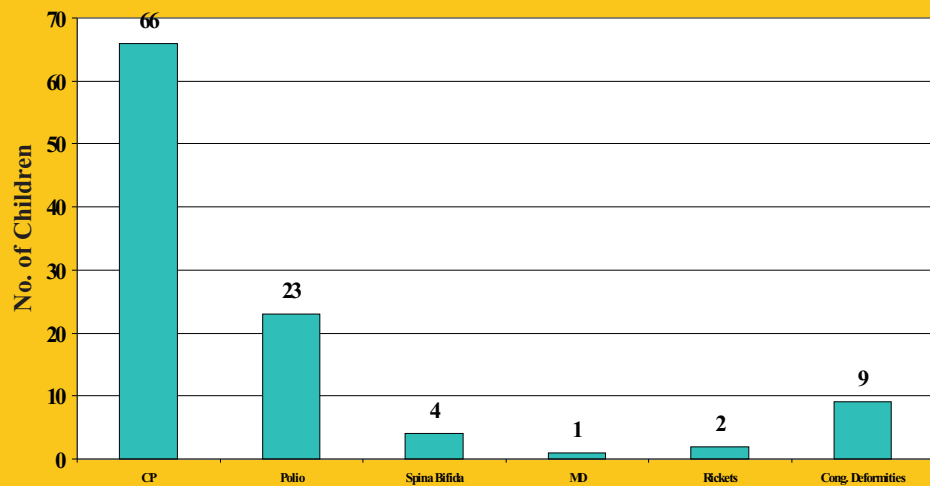

Dispensary:

Our Dispensary extends it's care and treatment to school children, hostel

boys and girls, trainees and trainees boys and girls in hostels. P.C.C.U., Out-reach, C.B.R., H.R.T.C., Mother's Training, Social Integration. We also gave urgent treatment to outsiders coming for consultations in KIRAN. A health check-up for all children was done once, with follow-ups for those in need. We provided them de-worming therapy twice yearly and supplementation of nutrients (Vit. A, Calcium & Vitamin D, Ferrous Sulphate and Folic Acid) for the school children, trainees, CBR, Outreach and Mother's Training. We Provided Vaccinations (Tetanus and for girls MMR) to new staff and new trainees. As per the need, we referred the children and staff also to specialized doctors in city hospitals (Benaras Hindu University, Rama Krishna Mission, Samvedna Hospital) for further consultation, investigation and if necessary hospitalization. We have the visit of Dr. Bhawe, a homeopathist and Ayurvedic Doctor, once in a week. A team of Gynaecologists from BHU have done cervical cancer check-up for 22 women among our staff; 4 underwent cryotherapy. Botulinum toxin muscular injection for treatment of Spasticity was given to 2 children of Physio unit. We gave health education to school children and also for heir parents and those taking part into Mother's Training. Children suffering from Epilepsy, Spasticity of Muscles, Asthma, Urine Incontinence due to spina bifida receive free of cost ongoing therapy and investigation.

initiative in rehabilitating our students in society:

- Sachin started a shop for general goods in Mirzapur with support of parents and the same was started by Tanmay Sanyal with another ex-student Ankit Agrawal in Jangambari, Varanasi.
- Rajat started working as a helper in his own shop along with his Grandmother.
- Ajit is working as helper in a computer Institute at Kabir Nagar, Varanasi.
- Lov : Working as a helper in his Father's shop.

EDUCATION DEPARTMENT

Domain activities carried out by this department during the past year are mentioned hereunder:

Training opportunities of students: At one end 2 MR students of our “We Can Do Group” got training as a Helper in Special Education Unit, at the same time 6 students of same along with “Functional Sr. Group” got training in: canteen, gumti and at the gate.

Rehabilitation Program: Through We Can Do group we have taken

Awareness Program:

Three Cultural programs: were presented at the same day i.e. on 1.12.2015 at: Gyandeep School, Tripada Degree College and W. H. Smith School, Varanasi at the occasion of “KIRAN's Disability Awareness Week”. Our children of both: school and Sp. Education, amazed other school students & staff with their wonderful performance. The program presented comprised of: drama, semi classical song, wheelchair dance and a heart touching action song, by our special children that was quite appreciated.

Campaign (Rally): was organized on 3rd December at the occasion of 'World Disability Day' that started from Rajatalaab Tehsil, Varanasi and ultimately ended at Maharaja Balawant Singh Degree College, Rajatalab, where several cultural programs were presented effort fully by our children. Mr. Anil Pratap Singh, Principal of the college and Mr. Ranjeet Kumar Singh, the District Disability Welfare Officer of Varanasi was our honorable guests of the eve. Purpose of this campaign was: awareness, sensitization, motivation and mobilization. All together around 1200 specially-able children and their parents had participated well in making this campaign a successful event.

Campaign for “No use of Plastic Bags”: was organized at various city premises of Varanasi like: Lanka, Sigra, B.H.U., Vishvanath Temple, Sunderpur, Chitaiपुर and Bachhav on dt: . 6 groups of

20 students each, made the public aware towards protection of our environment and sold the cloth bags.

A film '**KOMAL**' was shown to school children and trainees and meaningful sessions were conducted for awareness on child sex abuse. It was organized throughout the year in small groups of parents, teachers, trainers and helpers. This was the first time when this sensitive issue was discussed with several different groups and taken opinion on preventive measures.

Exposure: of our children were given to State Bank of India and Post Office of B.H.U. on dated 22.08.2014, where they got sound knowledge in: cash depositing, money transaction & ATM machine operating along with the speed postage, tickets usage, post card and parcel booking systems that was quite beneficial for them. Another exposure trip had gone on 20.08.2015 to: S.O.S. - Shivpur, Varanasi for ex-students where they learned the process of making fertilizers from harvest.

Summer Camp: One week Summer Camp for 135 children & youngsters was organized from 17th -25th May 2014 in KIRAN in which

they participated in: pottery making, painting, music, dance, drama, art & craft, food preservation as per their interest and capacity. At the last day 'Ability Mela' was organized for them in which stalls were placed to sell the items emerged from the camp. Mr. Prabhat Ranjan- District Probation Officer was our chief guest for the closing ceremony in which around 300 parents and people from neighboring villages had participated.

Picnic: 'An Adventure trip by train had gone to Allahabad Sangam' on 01-03-2015, Sunday, in which all together group of 310 members including students and trainees among whom 40% were differently-able, started their journey by a passenger train. It took 4 hours to reach Allahabad station while singing, dancing, chatting, having breakfast and watching natural beauty of countryside. For many youngsters, it was the first time sitting in train that gave them enjoyment and unforgettable experience. Both differently-able or persons with non-disabilities helped and mutually supported each other throughout the journey. At the Sangam, everyone was overwhelmed riding on boats and watching huge number of Siberian birds flying around. They all enjoyed fresh Indian food prepared by the residential government school.

Birthday of our hostellers was commonly celebrated on 15th August 2014 which gave them enjoyment and a time for little fun.

Cleaning: Hostel students and trainees consciously did cleaning of the areas from KIRAN to Shool- tankeshwar Temple at Mahashivratri and had kept dustbin at the road side of the Temple. A stall of eatable items exclusively prepared by our trainees was placed at the day near Prem and Srijan Hostel that gave a very positive response.

guest for the closing ceremony in which around 300 parents and people from neighboring villages had participated.
