SO PURE PLATINUM INSTANT HIGH CAPACITY

Select your preference from a fantastic selection

No matter how much coffee, tea, soup or hot chocolate is drunk, it is never too much for the So Pure Instant High Capacity. With its high capacity and huge boiler volume of 12 litres, the machine can dispense beverages non-stop. And there is more than just enjoyment of fresh quality. It is combined with a fantastic range: the So Pure Instant High Capacity has a selection of up to 16 hot beverages. The reliable technology guarantees problem-free operation. This has also been proven in environments where the machine is used intensively. With proven technology it offers trouble free operation in high volume locations.

BEAUTIFUL DESIGN AND SUPERIOR CRAFTSMANSHIP
