Cosmetic Bags Collection

Primrose Hill prides itself on designing cosmetic bags with soul. Our cosmetic bags do much more than organise all the beauty essentials - they tell a story. The Primrose Hill girl wears her heart on her sleeve and she is effortlessly beautiful, inside and out. Everywhere she goes, people are drawn to her warm heart and quirky, whimsical style. She's an explorer, a wanderer and a daydreamer. She is the girl next door. This is why we design each cosmetic bag with love and care, for Primrose Hill girls everywhere. Our designs are pretty and feminine with a vintage vibe and come in a variety of sizes and prints. Perfect for organising and storing all those important beauty products and trinkets.
