AQUARIUS HALL

A scenic view of Lake Lucerne, Switzerland. The foreground shows the calm, blue water of the lake with gentle ripples. On the right side, a large, multi-story white building with a prominent red roof and several gables is situated on a grassy bank. The building is surrounded by lush green trees, including a tall, thin tree and a large, rounded tree. In the background, the lake extends towards a range of mountains under a clear, light blue sky. The overall atmosphere is peaceful and picturesque.
