6. The Section Information page will display course information such as the course description, prerequisite courses, start and end dates, textbook requirements and instructor contact information. In order to see the instructor email address and phone number you must be logged in to MyNIACC. You will get your login information after you complete your application to NIACC and register for at least one course.

You can also find your textbook information on the Section Information page for each course section. Textbooks can be purchased from the NIACC BookZone – www.niaccbookzone.com.
