

Customer Reference Story (Valuable Rentable Land)

⚡ **Situation**

SIM's Operated site, loose Tyres left on site, 25 Ton of large Tyre Shred used as drainage gulley on boundary which had to be removed to be recycled correctly.

⚡ **Critical Issue**

ABP needed site to be cleared for when SIMs left.

⚡ **Reason**

The Tyre Shred posed a fire risk & it needed to be cleared. The same story with the loose Tyres.

⚡ **Capability (when, who, what)**

Rob Morris Environmental cleared the site in one day. All Waste Tyres/Shred was correctly managed into one of our partners for reprocessing.

⚡ **Result**

The land can now as handed back to ABP for new tenants
