

Plaque Hanging Instructions

Step 1.

Disassemble the plaque by unscrewing the caps and removing the temporary bolts.

Step 2.

Remove any packaging materials from between the layers.

Step 3.

Using the metal backing plate as a template, drill 4 holes into the wall and fit wall plugs.

Step 4.

Fit the wall screws through the collars and metal backing and into the wall.

Step 5.

Use the supplied caps to screw the acrylic onto the collar.
