

French Doors

Bring elegance and light into the home

Patio Doors

Contemporary simplicity at its best

Why not try coloured French Doors, Chartwell Green, Grey, Cream... There are 18+ colours to choose from!

Low threshold option available

French Doors bring a sense of light and space to the home by flooding the interior with natural light, bringing forward the garden and beyond.

For extra light, additional side panels can be added, either full length or with a dwarf wall to allow a window sill for ornaments etc.

Our French Doors have all the style, weather resistance and security features that you would expect from any product by The VEKA UK Group

In-line Sliding Patio Doors offer a contemporary way to bridge the gap between home and garden.

In-line Sliding Patio Doors allow maximum light into the home and bring a sense of space.

Available in a choice of 2, 3 or 4 pane configurations.
