NZ: Test Your Intolerance, # 8091, PO Box 13240, Johnsonville, Wellington 6440, New Zealand

Please read carefully:

- Tests only require a few hairs (**3 / 4 strands**) if hair is longer than an inch.
- We test any form of hair from a pet.
- Ideally, samples should include the **hair root**, however we understand it is not always possible.
- If cutting the hair, please ensure you cut as close to the root as possible.
- Hair treatments do not affect testing.
- Once hair sample collected, place the strands into a **small sealable bag** ensuring the hair remains dry and secure during transit. **Do not** send hair samples in metal foil or other metallic packaging.
- Place hair samples in a secure envelope or postage wallet and post to the above address.
- Please ensure **correct postage is paid**. Incorrect postage can cause delays to the processing time.
- Additionally, Allergy Test are not liable to pay these fees – your package may be returned.
- Please be careful not to include other items in the same bag as the hair sample as this can affect testing.
- Please ensure you have completed all details correctly.
