Since 1979, ABATE of Indiana has provided quality motorcycle rider education to more than 130,000 motorcyclists in Indiana. ABATE and our motorcycle safety professionals have been recognized with hundreds of state and national awards. Our skilled and dedicated instructors have assisted hundreds of hours in developing the skills and techniques to provide a non-threatening learning environment designed to meet the needs of new riders.

Free motorcycle rides for the kids!

While you're at the show, why not give the kids the opportunity to feel the exhilaration of riding for themselves? This fun activity allows youngsters to experience an actual motorcycle ride, with them at the controls! Best of all, it's FREE! Compliments of ABATE.
