**Day 09 MÉRIDA**

**Private full day guided excursion to the ruins at Uxmal and Kabah including lunch**

A World Heritage site, Uxmal is one of the best restored and maintained ruins in Yucatan, and certainly one of the most magnificent. Its architecture, some of the most majestic of the Yucatan ruins, is characterized by low horizontal palaces set around courtyards, decorated with rich sculptural elements and details. Rising up from the encroaching jungle, the Pyramid of the Magician is the centrepiece of the ruins and its presence dominates the whole site. The nearby Mayan ruins of Kabah are an amazing site with very few tourists. Unlike the many Mayan sites near Cancún that are crowded with people, the distance and location makes Kabah a really special experience. Arguably as dramatic as Chichén Itzá or Uxmal, it covers a huge area and the views from the top of the temples are simply stunning.

**Day 10** MÉRIDA - CHICHÉN ITZÁ

**Private transfer to Chichén Itzá for a guided tour and lunch**

Chichén Itzá is a UNESCO World Heritage Site and is one of the 'New 7 World Wonders', a unique place just waiting to be discovered! The famous Mayan pyramids and temples of Chichén Itzá cover an area of over 4 square miles and are over 1500 years old. The name Chichén Itzá is a Mayan word: CHI (mouth) CHEN (well) and ITZA (of the witch water). Some say this is because people were often thrown into the nearby cenote (sinkhole) as sacrifices, and those who survived were believed to be seers. The site is divided into three sections. The North grouping of structures is distinctly Toltec in style, whilst the central group appears to be from the early period and the southern group is known as 'The Old Chichén'.

**Hacienda Chichén**
