WHAT'S ON THE MENU?

With two bars serving signature and classic cocktails along with a selection of seasonal delights, Peckham Springs is the ultimate event space. From classic favourites through to ingenious mocktails, the venue features an award winning bar with a list of seasonally changing cocktails.

We proudly collaborate with London's most exciting street food caterers to provide only the most mouthwatering options.

"The cocktails are ridiculous... ridiculously good. Expect all the usual suspects here but it's their house cocktail 'Peckham Spring Water' with gin, elderflower, mint leaves, lime and tonic that does it for us." - Barchick
