

World's best life savers...

The all new England's Doctor's Jacket Numerous lives reported saved to date...

- Super light weight Microfibre
- New Olive Green colour
- Automatic life jacket incorporated
- Lower half detaches for deep wading
- Quick drying
- Queen's Award recipient

The Doctor's jacket has been completely re-designed. Now made from Microfibre, the jacket is 25% lighter weight and also quick drying. The lower half still detaches for deep wading whilst still retaining the automatic inflation unit. The jacket is available in 4 sizes, medium, large, extra large and XXL.
