From our factory in Warwickshire in the Midlands we have been manufacturing our exclusive range of affordable, high quality spiral stairs since 1987. We supply direct to both to private and commercial customers throughout the UK and the rest of the world.

Our spiral stairs are individually handmade from a range of materials such as cast iron, steel, hard wood and stainless steel to your specific requirements and our technical department can advise you on any spiral stairs required to meet Building regulations BS5395.

The Warwickshire

Available in sizes from 1430mm to 1830mm diameter all built by hand in our Warwickshire factory using only the best quality solid hardwood throughout. Larger sizes are available to meet specific requirements.

All landing platforms and balustrade situations are different, so we tailor all balustrade to meet your needs. Our technical team will be happy to provide advise on your specific design of your stairs and landing.

Landings can be supplied to fit round or square holes or as in the stair illustrated "free space" with the landing providing the connection to the upper floor.

Each handrail is custom made to fit your stair perfectly. The handrail are 70mm finish to give a sturdy and solid feel.

This stunning stylish stair creates
a beautiful feature in any home

The Warwickshire

This magnificent hand built spiral staircase is ideal for modern contemporary homes or Barn conversions alike, serving an upper floor, mezzanine or balcony. This image shows clearly the quality of the solid oak treads, balusters and handrail. This stair fully complies with building regulations with no gap greater than 100mm.

Warwickshire stairs are available with a choice of 5 different balusters.
