

Hello and thank you for being part of the Franklin County Fair. As you are aware, in cooperation with the amazing supporters as yourself we are continuously working on projects to help improve the fair experience for our youth. We are actively attempting to purchase new livestock pens for our 4H kids. Besides being a great way to support our Junior Fair exhibitors, this is an excellent advertising opportunity for you, your business, your family, or your club. Below are the support levels available for this project. Supporters will be recognized with a sign showing the level of sponsorship that will be posted in the areas where the pens are utilized and will remain there throughout the use of these pens by the Franklin County Fair. If you have any questions feel free to contact Derek Vincent at 614-535-8718. Thank you for being a part of the Franklin County Fair.
