Manigo Services Ltd (“we”, “our”, “us”) website uses cookies.

## What is a cookie?

Cookies are text files containing small amounts of information which are downloaded to your device when you visit a website. Cookies are then sent **back to the originating website on each** subsequent visit, or to another website that recognises that cookie. Cookies are useful because they allow a website to recognise a user’s device.

You can find more information about cookies at:

- [www.allaboutcookies.org](http://www.allaboutcookies.org)
- [www.youronlinechoices.eu](http://www.youronlinechoices.eu)

Cookies do lots of different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improve the user experience. They can also help to ensure that adverts you see online are more relevant to you and your interests.

The cookies used on this website have been categorised based on the categories found in the International Chamber of Commerce (“ICC”) UK Cookie guide. A list of all the cookies used on this website by category is set out below.

## Categories of cookie we use

The categories of cookies we use are:

**(1) ‘strictly necessary’ cookies:** these cookies are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. **This category cannot be disabled.**

**(2) ‘analytical’ / ‘performance’ cookies:** these cookies collect information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies do not collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how a website works. **By using our website, you agree that we can place these types of cookies on your device.**

**(3) ‘functionality’ cookies:** these cookies allow the website to remember choices you make (such as your user name, language or the region you are in) and provide enhanced, more personal features. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites. **By using our website, you agree that we can place these types of cookies on your device.**

## List of cookies in use on this website:

Cookies Stored	Category(ies)
