## Two Drifter's Distillery- Devon Rum

5cl x12 40% ABV	25cl 40% ABV	70cl 40% ABV
--------------------	-----------------	-----------------

**White Rum** – their white rum is nothing more than fermented and distilled molasses. It is very smooth and goes perfectly with any mixer.

**Dark Rum**- their dark rum is the latest addition to the Two Drifters range and showcases the molasses flavour through the addition of burnt sugar

**Spicy Rum** - Two Drifter's favourite way to drink the spiced rum is with a fiery ginger beer, a wedge of lime and lots of ice - delicious! They've carefully spiced it with burnt sugar, bourbon vanilla, mixed spice and star anise, Delicious!

Apart from making high quality Rum they also claim to be the best of their knowledge, to be the world's first

**Carbon Negative Brewery and Distillery!**

## Water Kefir – The Ideal Invigorator – 1.2% ABV

"There is a new *ultimate in feel-good drinks with bubbles...* Agua De Madre is light enough to be a perfect cocktail mixer. Subtly flavoured with botanicals that complement most foods. It immaculately fills the hole of interesting drinks to drink when you are not drinking" - Wallpaper Magazine. Vegan.
