**MACHINERY HIRE SPECIALISTS**

# Turfleet Hire Ltd

Turfleet Hire Ltd (part of the Burdens Group Ltd) is a well established company that has been supplying a large range of top brands and models of machinery, to our loyal customer base, since opening in 1989.

Over the years we have built up a very good understanding within the professional Groundcare market of what our customers are looking for when hiring. Turfleet Hire prides itself on the quality of equipment and service in which we provide, with our own dedicated Bagma trained technical team maintaining, servicing and valeting our fleet all year round giving our customers machinery in excellent clean working condition.

We also provide a transport service which we feel is second to none in meeting your needs, recognising the importance for the machinery to be on site at a time to suit the customer.

If there is a specific piece of equipment that you are looking for and is not on show in our range do not hesitate in contacting us as our employees have a wealth of experience within the groundcare industry and are always happy to discuss any enquiries you may have including LONG TERM HIRE as we are always adding to our extensive fleet.

Finally we would like to take this opportunity to say thank you for your custom and support and wish you well in the coming year.

From all the team at Turfleet Hire.

## Transport

When you book your hire, we will give you the cost of delivery and collection.

Our drivers are all very experienced in the use of our machinery and will install the equipment and stay with you until you are satisfied that you will be able to use it safely and efficiently.

They will also be happy to offer help and advice about any other items of equipment we have in our brochure.

# Contents

## 6-13 Professional Mowing Equipment

Walk Behind Mowers, Ride on Mowers, Ride on Flail Mowers, Tractor Mounted Cylinder Mowers, Tractor Mounted Flail Mowers, Tractor Mounted Side Arm Flails, Ride on Brushcutters

## General Information

If an item you require is not listed please do ask. We are always adding to our range. All prices quoted in this catalogue exclude VAT. We can deliver anywhere within a 100 mile radius, delivery charges available on request.

**Please note: The Hirer is responsible for the insurance of the machinery against loss or theft.**

The Hirer is also liable for the repair costs for breakages or damage caused to the machinery whilst in the Hirer's care.

The operator must carry out all daily checks, such as oil, water, tyres etc. Full instructions will be given on delivery. All ride-on machines are taxed for the road. Any stolen machinery will remain 'on hire' until replacement costs have been settled.

## Safety

---

Safety equipment should be worn at all times whilst operating equipment.

Here's a list of what should be used:

Safety goggles

Safety boots

Ear protection

Gloves

## Long Term Hire

We do realise that every job or work situation has its own challenges, so being able to price the job accurately from the start is vitally important. That is why we offer long term hire rates that are fixed for the duration of the contract and also means you will know all your machinery costs at the beginning and will have no unpleasant surprises.

The price we quote will include supply, transport, operator training and maintenance, we can even make a replacement machine available if yours is broken down for 48 hours or more. So call us for a quote on our long term hire rates for a month, a season, a year or longer. We can even come and look at the job with you to be sure you get the best machine for the task.

## Transport Installation

When you book your hire, we will give you the cost of delivery and collection.

Our **Bagma Trained** drivers are all very experienced in the use of our machinery and will install the equipment and stay with you until you are satisfied that you will be able to use it safely and efficiently.

They will also be happy to offer help and advice about any other items of equipment we have in our brochure.
