

The Ford Grand Tourneo Connect

gowrings
celebrating 50 years
mobility

The Grand Tourneo Connect combines Ford values and strength with Gowrings Mobility's robust conversion to form a superior, hardworking wheelchair accessible vehicle – perfect for large families and transport operators alike.

The vehicle

The new-look Grand Tourneo Connect is a relaxing and comfortable place to be. Great to drive and great to sit in, it boasts premium finish, high-quality materials and fuel efficiency without comprising everyday practicality.

The new 1.5 Duratorq TDCI diesel engine impresses with its refined power and superb efficiency. The vehicle carries an array of standard features for your comfort and convenience, including DAB Radio with USB, Bluetooth and Voice Control, Steering Wheel Controls, Dual-Zone Electronic Automatic Temperature Control, Anti-lock Braking System (ABS) with Traction Control and Emergency Brake Assist.

So with all the many features and comforts you'd expect from a premium people-carrier, plus design and build quality that's made-to-last, the Grand Tourneo Connect is the smart choice for you.

The conversion

As with all conversions from Gowrings Mobility, the Grand Tourneo Connect incorporates a lowered floor creating a spacious environment, four point wheelchair securing system and a lightweight, non-slip ramp.

The vehicle is available in a wide range of colours.
