Chirocream FWC Foot Warming Cream

Stimulates circulation in the feet or legs with a warming, anti-inflammatory effect to ease joints and muscles. Enriched with Shea Butter, Ginger, Lavender and Black Pepper essential oils.

- Shea Butter is naturally rich in Vitamins A, E and F.
- Ginger helps to reduce the ache of muscle pain as well as relieve inflammation.
- Lavender contains antioxidants and is used for pain relief and to enhance blood circulation.
- Black Pepper has warming, anti-inflammatory properties and helps to relieve aches and pains.

Eases joints and muscles and can be used to help conditions such as arthritis and rheumatism.

Ceramic Burs

Ceramic is a poor conductor of heat, meaning it keeps cool and comfortable for your clients. The edges are cut directly into the ceramic material allowing them to hold their edge and last longer.

- Antibacterial
- No clogging
- Excellent performance
- Great durability
- Fully autoclavable
