

## **DUNDALK** STADIUM

### Race Day Info

#### Admission Passes & Entrance

The owners and trainers entrance is located at the main turnstiles. Please have your AIR pass ready to swipe at the stand in order to gain complimentary admission (pending your horse is running). There is an allocation of 4 passes; however, if you require additional ticketing, please contact the HRI Ownership Department directly: [www.racehorseownership.ie/tickets](http://www.racehorseownership.ie/tickets)

### Owners & Trainers Lounge

There is an owners and trainers lounge reserved exclusively for the use of owners and trainers with a runner on the day/evening; it is situated on the first floor of Dundalk Stadium.

We provide a complimentary 2 course meal with tea/coffee within this area.

There are two screens located within the lounge showing racing at home and away in addition to wonderful views of the parade ring.

### Dining Facilities

All owners and trainers with a declared runner on a race day/evening are entitled to avail of a discounted 4 course dining package of €30pp within 'The View' Restaurant at Dundalk Stadium.

### Stabling

Dundalk Stadium has 130 boxes that will be allocated upon arrival. Bedding is provided for horses at all race meetings (both paper and woodchip).

### Overnight

If you wish to stay overnight, please contact Laura on +353 (0) 87 0636758 to make arrangements.

Bedding is provided for horses stabling overnight (both paper and woodchip). Hayage is also available.

Work on the track can be arranged for 'overnighters'; with prior consultation with grounds staff.

[For full details on local accommodation please click here](#)

### Gallops

Gallops take place at Dundalk Stadium on Tuesday (9am to 4pm) and Sunday (9am to 12pm) each week.

Please contact Laura on +353 (0) 87 0636758

*Both 'Yielding Ground' and 'Good Ground' is provided – please refer to 'The Irish Field' for weekly confirmation of ground.*

**All riders must mount and dismount on the all-weather track during gallops.**

**All riders must wear proofed helmets, back supports and riding boots.**
