AU REVOIR!

Dear Friends,

It is a strange feeling to be leaving the VMM Admin. after 10 years of total involvement in the Movement's struggles and growth. But I believe that the steps I am now taking are God's will for me at this particular time.

My plans are two fold:

a) to think and pray, which is why I shall spend May to August in an oasis in Algeria with the Little Sisters of Charles de Foucauld, and

b) to read and study in order to keep up to date and aware of what is going on in Mission and Development. So in September I shall take a year's course at the Catholic Theological Union in Chicago, USA.

I would like to ask you for your prayers and support for Maria who has already taken over as Admin. Director and is finding the initial stages hard going. Maria has had a great deal of experience not only as a volunteer overseas and a member of the VMM Community in London Colney, but also in CAFOD, A.P.F. and Justice and Peace. She is an accountant by profession and is, I believe, well equipped to assume the responsibility of VMM Administration.

Thank you Maria and Good Luck!!

Towards the end of 1980 I hope to be back at the VMM Centre with a new role to fulfill - perhaps in public relations, writing or lecturing etc. Who knows?

I would like to thank you all for your prayers, friendship and support over the last 10 year. Without it the VMM would never be where it is today.

Please pray for me and may God bless you and your work and support for His Church.

Love e Peace,

Edwina
