## Reflections of Me

FAUX CROCODILE BROWN

## Bring some glamour to your day

*"Reflections of Me"* provides a bespoke range of illuminated make up mirrors that have been developed in consultation with professional make up artists to offer the high degree of illumination used by stage, TV, film and the fashion world for every day use at home.

The Broadway is available in a wide range of colours. It has been developed to provide a safe and easy to use make-up mirror. It uses 2700 kelvin lamp colour rendition and is operated by a dimmer switch giving you the choice of different light levels... *Bring the theatre into your home.*

The Broadway make up mirror is pre-assembled, free standing and is supplied with a power cable with a dimmer and 15 x 18W halogen lamps with E27 screw caps (located within the storage compartment), which includes 3 spares.

*Always disconnect the power before installing.*

2 brackets are included with the mirror for wall mounting.

WHITE SATIN

## Features

- Finishes: - White satin, Black satin, Faux leather silver, Faux leather black, Faux leather indigo blue, Faux leather navy blue, Faux crocodile black, Faux crocodile brown
- Designed for use with 12 x 18W Halogen bulbs that screw into the designated bulb holders included in the mirror package along with 3 spare lamps.
- Using the mirror is simple, just pull the tag on the back panel that opens a concealed storage compartment containing the bulbs and power cable.
- The power cable then plugs into the mini socket in the concealed compartment. The power cable incorporates a dimmer, which is also the on/off power switch. Fully rotated clockwise provides full output and when turned anti clockwise will dim until fully rotated and clicked into the “off” position.
- The back panel is designed to act as the support bracket for free standing.
- Once all the lamps are fitted the mirror is ready to use. Always disconnect the power before fitting/changing the lamps.
- The mirror is also fitted with two mounting brackets for wall mounting.
- The mirror should not be left in direct sunlight as the UV can cause fading and damage to the finishes.
- Measures: - 560mm x 440 mm wide x 75mm deep (housing)  
When opened using the free standing support bracket at the base 560mm x 440 mm wide x 260mm deep.  
*Note that the depth measurement excludes the depth of the lamps an additional 60mm.*

“Reflections of Me” is a division of Morgan Hope Industries Limited an organization with over 25 years of experience in the development, manufacturing and distribution of lighting and related technology to all areas of commerce and industry both in the UK and overseas.

FAUX LEATHER BLACK

# Ready to use with **3** simple steps

## **STEP 1**

Remove the bulbs from the compartment and screw into the bulb-holders.

## **STEP 2**

Insert the dimming power cable into the mini socket located in the rear compartment.

## **STEP 3**

Use the compartment panel cover as support for free standing on a flat surface, such as a dressing table, and plug the supply cable into the power socket.
