Greens' Review of 2014

APRIL Paul accepted the Course Manager's role.

The Artisan's, are still very keen to keep our course in top condition.

MAY

Suzuki sponsor the first tee and putting green.

JUNE Two of the bridges on the 17th were replaced

JULY The Greens "A Techy Review"

This month we focused on the greens, many people were asking how have the greens been speeded up, and in some cases statements made

"They are too fast for me".

Scarifying on the left, and sharper holes due to the new "clippie" purchased, and plastic hole supports donated.

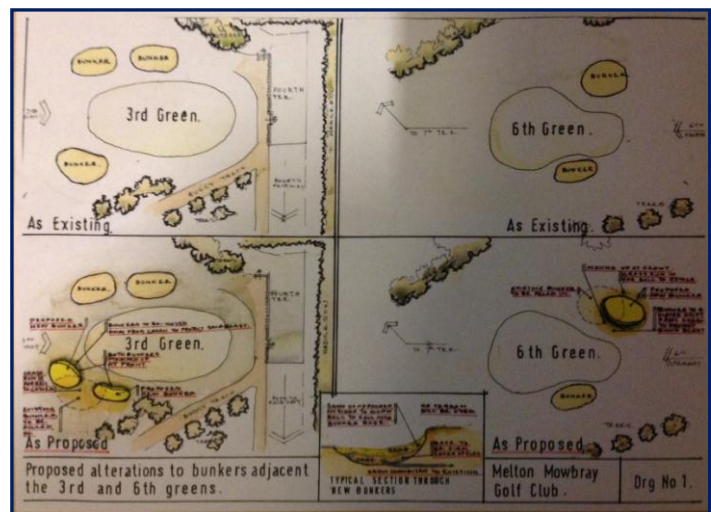

AUGUST Further path improvements

SEPTEMBER Hedge trimming and tree pruning to tidy the course were the targets for this month.

OCTOBER Plans laid for new bunkers, and winter course maintenance completed.

NOVEMBER New bunkers constructed.

Winter months have now arrived and the work is focused on servicing all equipment ready for the 2015 season.

The greens team would like to thank all the members who turned out this year to give us all a course to be proud of, and to all the members we hope you have a most enjoyable golfing 2015.

Watch out for the next news letter coming out in April 2015.

Happy New Year to one and all.

The Greens Team
