FULL ABSTRACT MANAGEMENT SERVICES

FAMS is a web-based abstract management platform simplifying the entire abstract management process.

Combinable with REACT

FAMS

Services:

- Real-time overview of abstract submission and reviewing statistics
- Print-ready files for abstract publications, such as Final Programme or Abstract Book
- Speaker handling including invitations, scheduling and mailings

" *FAMS has managed over 12,000 abstracts during a single conference and is capable of managing much more* "
