Track your pride and joy from anywhere with internet access.

THE THREAT IS REAL
689,527 motor vehicles were reported stolen in the United States in 2014.

LOWER THAT BILL
Most insurance agencies will offer a discount for vehicles with GPS trackers.

WHAT IS IT?

The Moto GPS is one of the smallest, hardwired GPS tracking products available. This cutting edge technology offers everything you need, ignition sensing, starter interrupt, and GPS tracking from anywhere in the world. Get real-time trip stats and notifications, and more, all from the Datablaze app.
