ANTI-SLIP DECKING INSERT

FITS MOST GROOVED DECKING

SIMPLE DIY INSTALLATION

HIGH GRADE ALUMINIUM

RETRO FIT ONLY

As featured on Radio 2's Drive Time innovation slot, **RetroGrip®** is an award-winning, anti-slip, retro-fit insert, designed to fit into your pre-installed grooved decking; providing an easy way to return your slippery decking into a safe space for you to enjoy, without fear of a slip or fall. Manufactured to be easily installed yourself in minutes, it adds an elegant anti-slip finish that won't ruin the look of your existing decking. Its clever "V" shaped design ensures that RetroGrip® will fit most standard grooved decking.
