Great venues for great business

Whether you are organising a small meeting room for a few hours, a company conference or residential training course, Chartridge Venues are the ideal choice, designed especially with business in mind.

Making it personal

Whenever you spend time at Chartridge Venues, you can expect individual service and attention to the little things that make all the difference.

We don't believe that dark, anonymous box rooms bring out the best in anyone. That's why our unique locations provide a welcoming environment to meet, where everything is taken care of, so you can concentrate on achieving your business objectives.

Each of our venues are conveniently located close to main road and rail networks with ample free car parking, giving your delegates a hassle free arrival.

Once you arrive, you'll receive a warm welcome and a hot refreshment to get you off to a great start. The hospitality continues throughout your stay, with free-flowing tea, coffee and cappuccinos provided at central coffee stations, through to delicious lunches freshly prepared by our chefs.

And our friendly team is always on hand, providing the personal touch that helps your event run smoothly.

Understanding your needs

Our aim is to make you feel at home right away, so that your time here is as productive as possible.

Each venue has plenty of flexible conference and meetings space, all with natural daylight and set with the equipment you need for a successful event.

If you wish, we can organise one of our 'Out of the Box' team-building activities, designed to engage and reward your delegates, so you get the results you really want.

Want somewhere that can adapt to what you need?

Because our locations are individual, we can be completely flexible when it comes to configuring them just how you want.

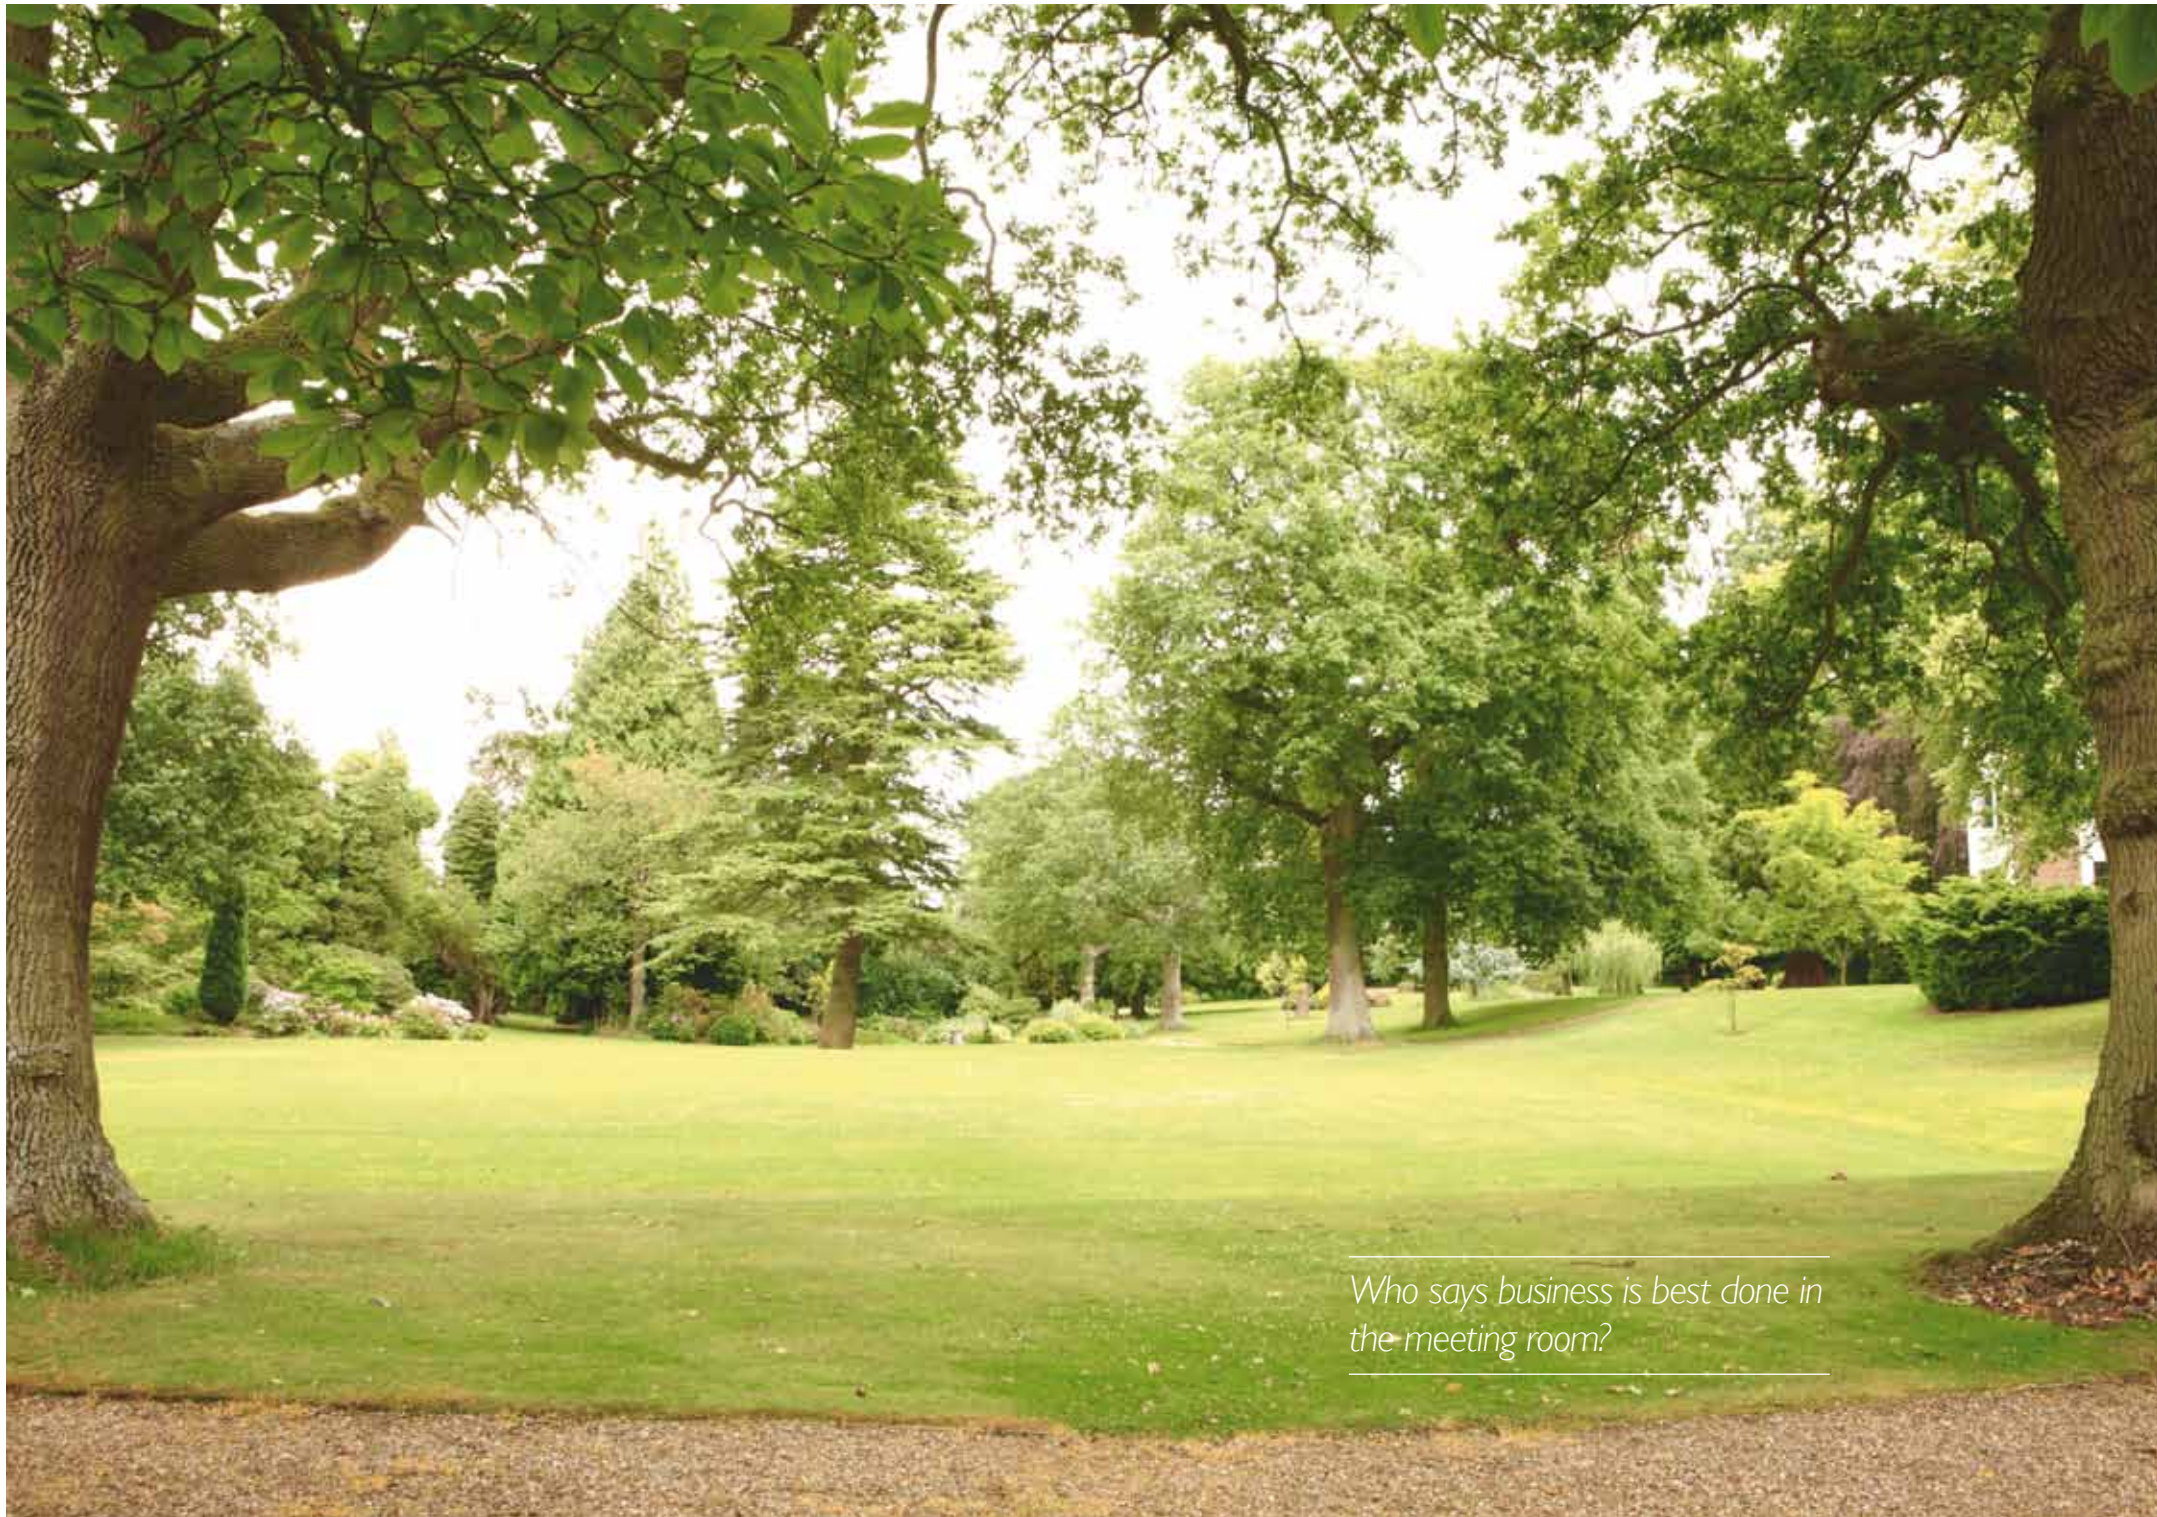

Perhaps you'd like a conference room with small break out rooms, before stepping outside for a team-building challenge. Or maybe you're after a theatre-style layout to address lots of employees in one place. Whatever you wish to do, all our venues are welcoming and adaptable, encouraging great work in a relaxing environment.

Naturally, we provide full conferencing facilities, from flipcharts and free Wi-Fi to LCD projectors, with an on-site technician there to help if necessary.

And our dedicated events team is always on hand – from conception to completion; they have the know-how to make your next event a real success.
