

# Pointe100

Central Boca Raton's premier new community, welcomes its first residents

## SPECIAL TO INSIDE REAL ESTATE

As the first residents move into their newly completed homes, Pointe100 is quickly transforming from a construction site to a thriving community.

While the exclusive neighborhood consists of just 100

luxury townhomes priced from the mid \$400,000s, many of the homes already have sold to buyers eager for a place in Boca Pointe's most prestigious and intimate enclave, just off the big lake at Southwest 18th Street and Powerline Road.

Award-winning designer company P&H Interiors decorated each of the three models at Pointe100 – Echo, Reflection and Wave – with

elegant décor that perfectly complements each townhome's open layout and coastal modern architecture.

The 2,174-square-foot Echo offers an upstairs master suite, two guest bedrooms and two-and-one-half baths, while the 2,490-square-foot Wave features a ground floor master suite, three guest bed-
