Geneva On The Lake

Wedding Photos

Built in 1910 in the Italian Renaissance style, Geneva On The Lake was modeled after Villa Lancellotti in Frascati, Italy which was built in 1592. It was the Lancellotti Family's summer retreat about 15 miles from Rome.

"I next checked in to Geneva On The Lake, a grand resort in the lively burg of Geneva. It's an excellent home base, since Geneva's downtown has become the region's restaurant and bar nexus thanks to places like the Linden Social Club."

- Travel + Leisure, October 2018

The “lawn furnishings” with a privet hedged formal garden and pool were completed in 1930.

The happy couple descend to The Terrace to join their guests.

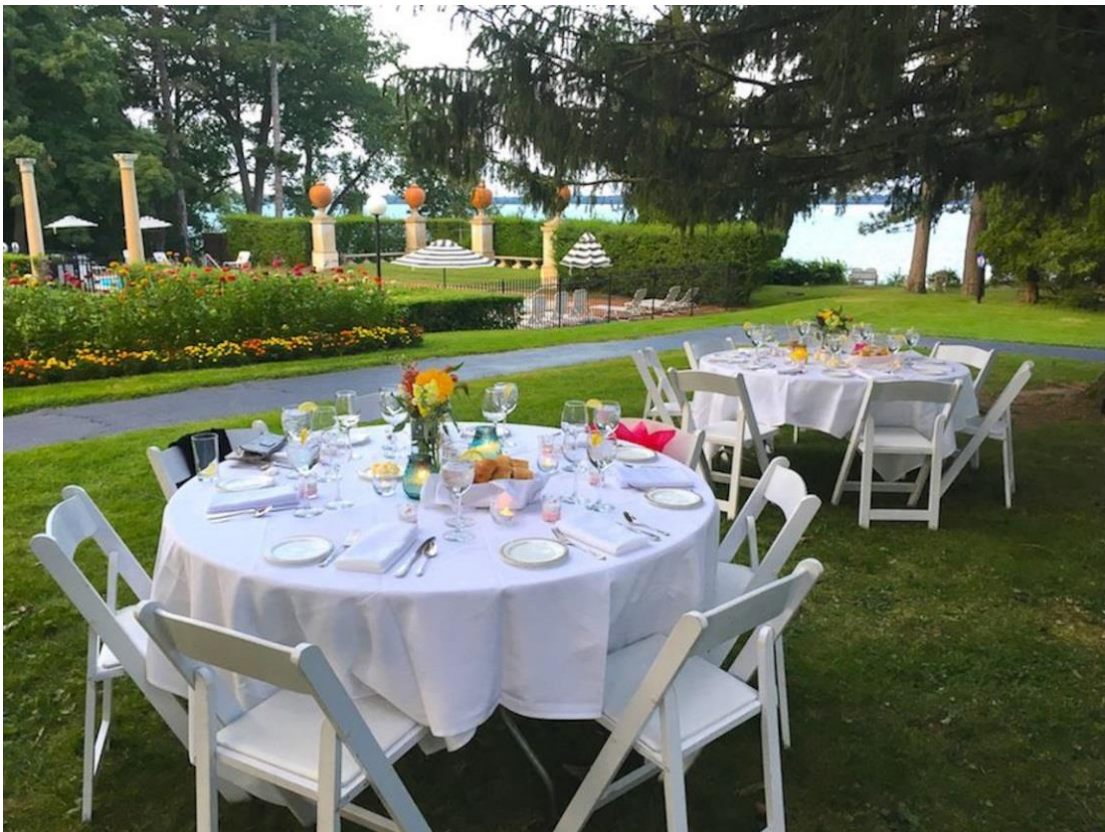

A beautiful ceremony on the bluff overlooking Seneca Lake

The living room of the “Classic Suite” has a center view overlooking the gardens. The resort has 29 Stickley furnished accommodations, each uniquely appointed (ten suites have two bedrooms).

Croquet, bocce, badminton, volleyball, horseshoes, basketball hoop, bicycles and boats at the dock are all on ten beautiful acres next door to Hobart and William Smith Colleges and Geneva's Historic South Main Street.

Enjoy Lunch On The Terrace or in the shade of the trees.

“May our work be our joy . . . and our reward be the joy of others”
- Norbert H. Schickel Jr., founder

Seating in the tent may include gold Chiavari chairs

South Lawn Tent Pavilion is for dinner parties, weddings and many festive events of up to 150 people.

The beautiful couple bid their family and friends farewell amidst dazzling sparklers.

The 70' swimming pool overlooks Seneca Lake which is 37 miles long and 642 feet deep. Seneca Lake is noted for great fishing, especially lake trout, and is at the epicenter of New York State's Finger Lakes Wine Country.
