Moustache Lollies

TFC007

These mouth watering moustache lollies are a great gift idea for boys and girls alike. The fruit flavoured follicles are attached to a stick which let you position them either under your nose or directly into your mouth, depending on how hungry you are at the time.

Unicorn Lolly

TFC020

Many people will agree that finding a unique sweet is no easy feat, so we think it's only appropriate that it should be finally delivered by the most elusive and fabled creature of them all.

Edible Gummy Shot Glasses

TFC008

Take your pick, take a sip, then take a lick. These edible shot glasses are a great party piece and perfect for people with a hunger for fun and games whilst drinking. Once your bottle of plonk has run out then you can gnaw on your glasses which will provide much needed energy for the rest of your nights activities. Get your fill in more ways than one!

Pug Lolly

TFC019

Unleash the lolly! This loveable Pug tastes delicious and won't give you the run-around when it's time to sink your teeth in.

Super Sour Lime Lolly

TFC005

Here's a tangy treat to titillate your taste buds; one suck on this lolly and your friends and family will soon be asking why you're wearing a sour face. A great gift for fans of both candy and citrus – give it a lick and feel it bite.

Seriously Hot Chilli Lolly

TFC001

You don't have to be in the kitchen to feel the heat; one lick on this chilli lolly is enough to get temperatures rising.

Flamingo Lolly

TFC006

This eye catching Flamingo candy lolly tastes as good as it looks - it's head and shoulders above the competition.

Mood Lollies

These fun and cheeky lollies are sure to be a hit with all sweet lovers and will always be on hand when you're wanting to express yourself. Choose your favourite or collect all four, they're all as tasty as each other and are guaranteed to put a smile on your face :)

Gummy Sushi Challenge

TFC016

There's nothing fishy about this fun and fruity challenge, but you may end up with more than you bargained for depending on which chewy treat your chopsticks choose. Spin the wheel to decide which you must eat; nine of the options are sweet and safe, while three contain the heated wrath of wasabi.

Gummy Bacon

TFC012

Looking for some streaky satisfaction? Pining for some piggy? We've got just the thing for you, and with this gummy bacon you don't have to worry about chewing on fat or having to wash up the pots afterwards. These sweet and delicious rinds are truly one of a kind!

Gummy Hamburger

TFC015

Just when you thought that there was nothing more that could be done with a burger, we've gone and flipped the idea to a whole new level. Once you've seen this whopping offering you had better hope that your eyes are as big as your belly!
