

# VW Caddy from Gowrings Mobility

gowrings  
celebrating 50 years  
mobility

This stylish wheelchair accessible vehicle is designed with comfort and refinement in mind.

# The vehicle

The VW Caddy Maxi Life from Gowrings Mobility offers a stylish, refined and quality vehicle that carries wheelchair passengers in comfort, whilst the ergonomically designed drivers seat ensures the perfect driving position is achieved.

The standard specification includes DAB+ radio with Bluetooth, air conditioning, cruise control and alloy wheels, as well as an excellent range of safety and security

features to enhance driver safety. Volkswagen's Electronic Stability Programme works with an Anti-lock Braking System, Electronic Differential Lock and Traction Control System to help improve safety whilst an immobiliser and remote central locking keep everything secure.

This vehicle is available as a 1.6 TDi (102PS) with the option of manual or automatic (DSG) versions.
