

# How you can find us

## GA Drilling

**GA Drilling Technology Center** established by GA Drilling is located on the street Vápenka 4, Bratislava in the old quarry.

For more specific location visit [Google Maps](#).

## From Bratislava Direction

### By car:

You can reach GA Drilling Technology Center from the Bratislava by D2 motorway on Brno direction and using exit 55 - Lamač.

After exit, follow Devinská Nová Ves direction. After four roundabouts, turn left into the "Presskam" premises.

There is a navigation sign with GA Drilling's logo.

GA Drilling Technology Center is located in the secured area and the entrance is able only with permission.
