Repair & Maintenance…

At Fleet Assess, we understand how difficult it can be for you when your fleet requires support and cover. Our own workshops & fleet of mobile service technicians are backed up by a national network of approved suppliers, most of whom have worked with us for many years. We help keep your fleet in great condition with our emphasis always about keeping your vehicles on the road.
… You only need one number …

We offer several packages to suit your transport operation:

Full Repair and Maintenance Contract. Enjoy all the benefits of rental whilst you own the assets. A fixed monthly price, over an agreed term, ensures that your assets are fully compliant with all scheduled service events, MOTs, LOLER's and brake testing included.

Breakdown / Tyre Cover Only. A fixed fee provides 24/7/365 national coverage for mechanical and tyre breakdowns. Any approved repair work is charged separately.

Repair Clinics. Our service engineer will visit your designated operating centre on a pre-scheduled day to repair minor defects including; bulbs, lenses, curtain straps, curtain repairs, floors, doors & loadlok.

Service & Go (SERGO). A service only package which covers your routine PMI's and compliance requirements.

PAYGO. Repairs & maintenance as and when you need them.

What our customers say …

"As a company, we pride ourselves on our appearance, and with the **expert** knowledge of Niven and his team at Fleet Assess we have found a company that thinks like we do. We have always found them to be **efficient** and **meticulous** in their work. Their pricing is **competitive** within the market place, and they are always looking to stay ahead of the competition. We would have no qualms to recommend Fleet Assess to anyone looking to get **value** for money and peace of mind when it comes to vehicle livery and maintenance.'"
