THE WEEK-HANSA RESEARCH SURVEY 2018

DR N K PANDEY BEING AWARDED THE PRESTIGIOUS PADMA SHRI BY HON'BLE PRESIDENT OF INDIA, SHRI PRANAB MUKHERJEE

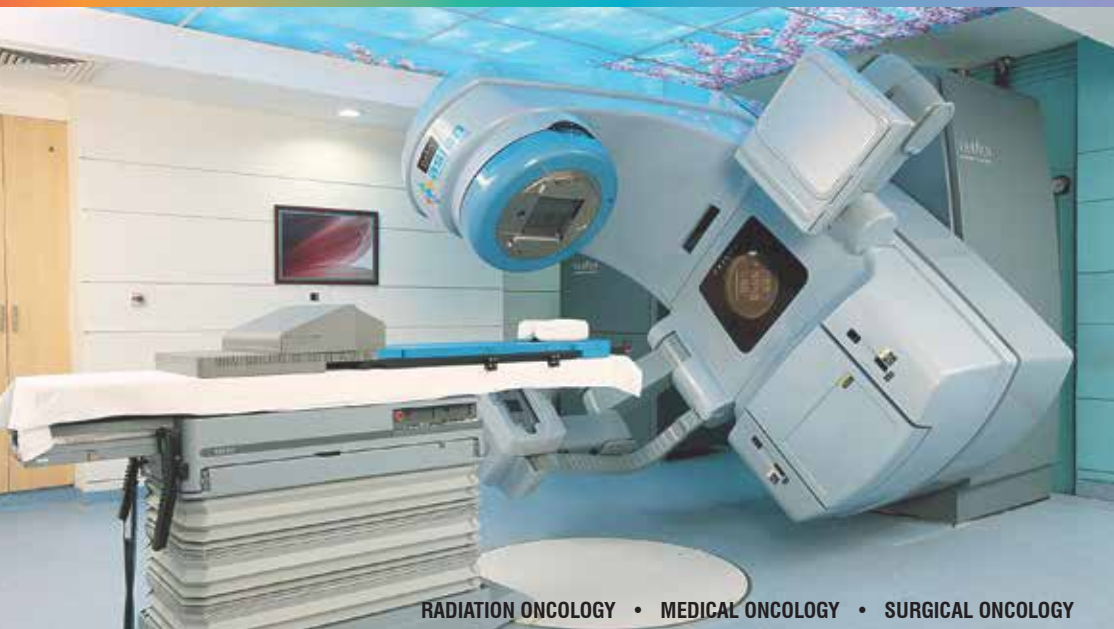

All set to become a landmark in the field of medical care, Asian Healthcare, founded by **Dr. N K Pandey** is committed to deliver its mission of bringing quality healthcare services for all. The Group is aligned with the guiding principle “Caring for what matters most”, which is the virtue by which every individual at Asian works. Since its commencement, the group has continuously evolved in the field of medical science and is bound “To create a safe patient-centric healthcare delivery system which is accessible, affordable and best available”.

Asian Healthcare, is today one of the fastest growing healthcare chains in the country and has already created an identity for itself in the short-span of nine years in the northern belt states of Delhi, Haryana, UP, Bihar and Jharkhand through its philosophy of affordable, accessible and best available healthcare for people close to where they live. The hospitals under its flagship provide award- winning world class health services across all major Super Specialities.

Dr N.K.Pandey, Chairman & Managing Director, Asian Healthcare is a highly acclaimed Surgeon with experience of over 30 years in United Kingdom & India. He has been awarded with the prestigious Dr B.C. Roy National Award from the Hon'ble President of India, Smt Pratibha Devi Patil, the highest medical recognition in the country for his pioneering work in the field of laparoscopic surgery. He is also a Padma Shri Awardee besides having been bestowed with several national and international honours and accolades for his work.

Caring for what matters most
