Peterborough Council for Voluntary Service Cookie Policy

What is a Cookie?

A cookie is a small text file that is downloaded onto your computer or device i.e. smartphone when the user accesses a website. It allows the website to recognise that user's device and store some information about the user's preferences or past actions.

Most website browsers allow a user to control Cookies via the settings menu, you can find out more through the [Information Commissioner Office](#) website.

What Cookies are being used by PCVS?

We are using Google Analytics cookies to understand the performance of our website. Google Analytics does not store any personal information about our website users.

The Cookies in use are:

Name	Expiry	Function
_ga	Expires in 2 years	Used to distinguish users.
_gat	Expires in 10 minutes	Monitor visitor behaviour on the site
