TECHS
ENGINEERING EXCELLENCE

Air Channels

Elegant trim bars for air intake, providing an enhanced aesthetic look to the side profile.

£620

Front Spoiler I

Sleek finish and seamless beauty captured in this stylish but aggressive front spoiler.

£1595

Rear Spoiler I

Dynamic look and function with this beautiful rear spoiler.

£1145

Rear Diffusor

Rear diffusor in distinctive styling with colour co-ordination.

£995

Sport Tail Pipes

These twin tailpipes are available in either shiny chrome or black matt chrome, offering an aggressive centre-piece to the Boxster's rear.

£780

Spring Set

Contains four sport springs, lowering a standard chassis by 35mm and 25mm for a PASM chassis.

£795

Side Mirror Trims

Subtle distinction: side mirror trims and upright air intake fins in body color.

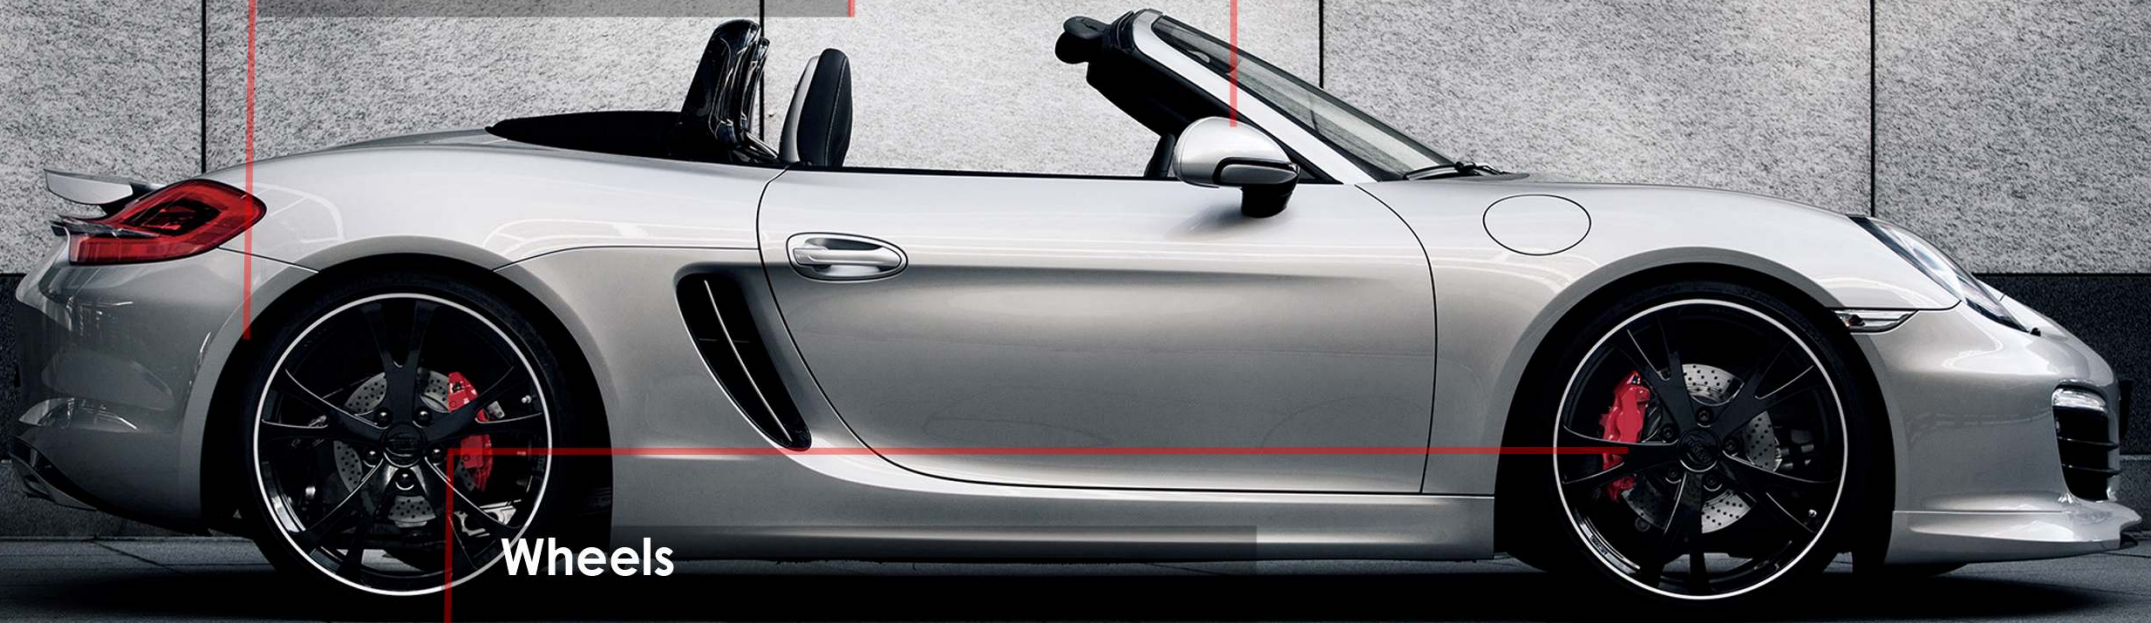

£295

Wheels

You can select a beautiful range of 21" TECHART alloys.

Formula/Formula III Lightweight forged Alloys

from £4495

Steering Wheel

Inimitable style and ergonomics: the fully customizable TECHART steering wheel with paddle shifters

from **£995**

Rev Counter

The central rev counter is color-matched with the interior trim parts.

£795

Centre Console

Attention to detail. Supple leather, lacquered trims and contrasted stitchings are perfectly arranged.

from **£199**

Inclusive Package

We wish to keep things simple

All prices include VAT as well as the cost for fitting and painting (where applicable)
